

GOOD NEWS!

If you are experiencing difficulty paying your mortgage, we are here to help.

NHSNYC is hosting an in-person event that will provide answers to homeowners who have been financially impacted by Covid-19. This event is a great opportunity to hear about assistance options currently available in your community and with PHH Mortgage.

You will have the opportunity to meet one-on-one for a FREE housing counseling session with a HUD certified counselor who will be able to review your individual situation.
